AGREEMENT FOR BUILDING USAGE SCOTCH PLAINS

I _____ using Scotch Hills Country Clubhouse on _____ do hereby agree to the rules and regulations set forth by the Recreation Commission. Further, I will comply with the time frame as set forth in contract.

Walter Sawyer, Building Attendant has the authority to approach lessee as the rightful time to end of the affair nears. The attendant will contact me to remind me that the affair has to start winding down so that the cleaning of the facility can begin. The rules also state that utensils used by lessee, guests, caterers, musicians, etc. must be out of the building by the time contract hour is reached.

I understand that if these rules are not followed, and I do not cooperate with the Building Attendant, the Commission has the right to retain my security deposit.
